## WHAT'S IN THIS MONTH'S ISSUE:

- Student Spotlight
- Monthly Challenge
- Homework Deadlines
- Upcoming Events
- Inspiring Quote

## STUDENT SPOTLIGHT

Written by Mrs. Janey Johnson

Erica Johnson

Erica is 15 years old. She loves English and is constatly reading! If she could live anywhere in the world, it would be in Europe because she loves the culture and history! Erica is on the Varsity Women's Basketball team. Her favorite topic in mathematics is geometry because she loves to use deductive reasoning to solve the problems. She thinks of them like puzzles!

## MONTHLY CHALLENGE:

Spend 1/2 hour on math homework every day for at least two weeks, and bring in a signed piece of paper that says you completed the monthly challenge! Trade your paper in for a treat!

## UPCOMING DEADLINES:

Homework 2.4 for Solving Systems of Linear Equations is due JANUARY 31ST

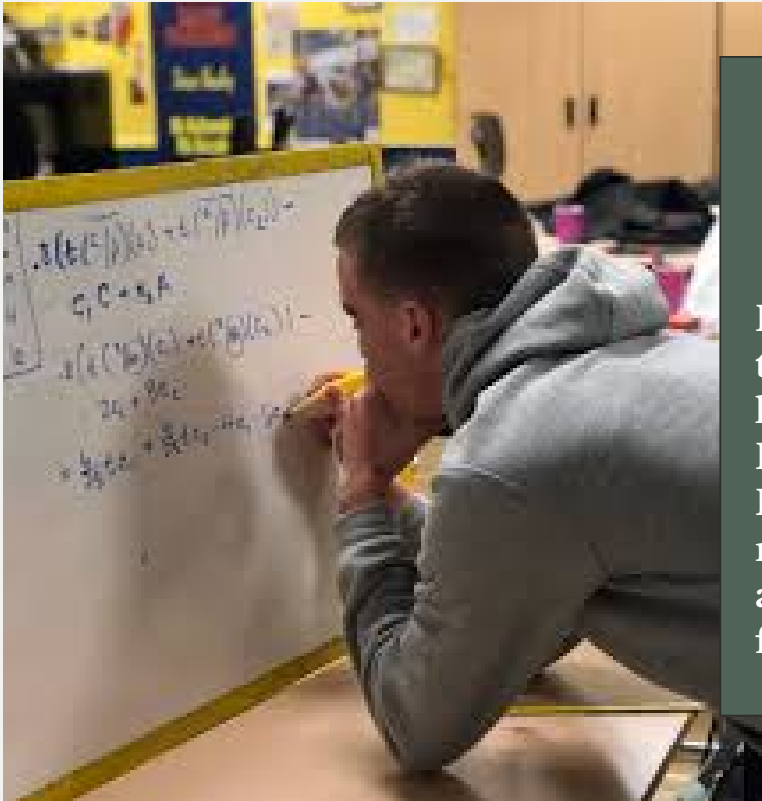

Quiz 4 on Chapter 2 will be taken in class on FEBRUARY 2ND

Chapter 2 test will be taken in class on FEBRUARY 3RD

Final day to turn in homework or re-take quizzes and tests will be FEBRUARY 20TH

# Upcoming Events

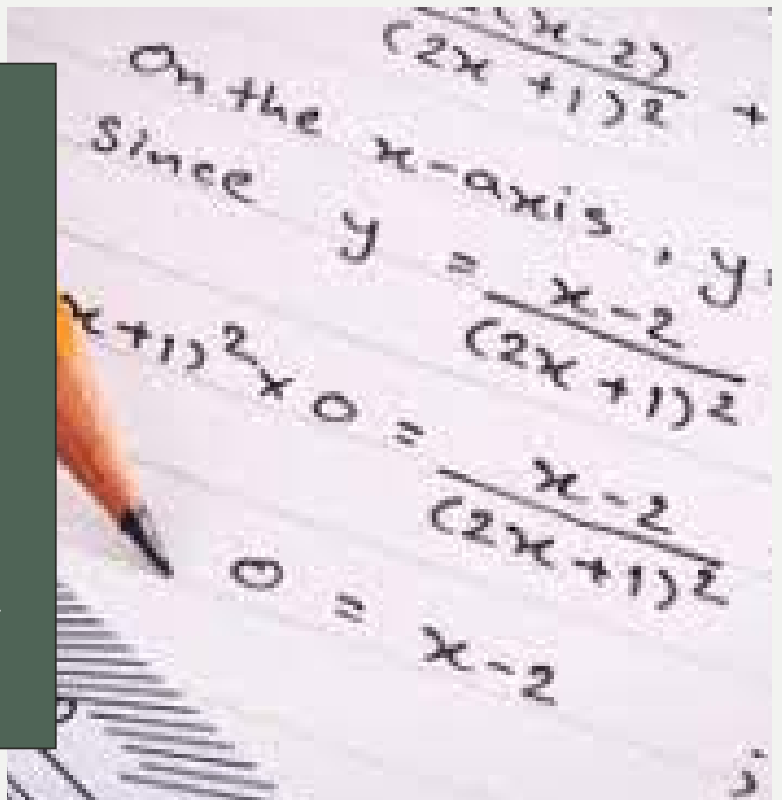

## SWEETHEARTS

Get your dancing shoes on!

Everyone be ready to get a date for the Sweethearts dance! This will be held at the high school on February 12th from 6:30-10 pm. Parents, please email me at [nicola16ann@gmail.com](mailto:nicola16ann@gmail.com) if you are willing to help chaperone this fun activity!

## MATH TUTORING

There is always math tutoring help available after school Monday-Thursday, and Tuesdays and Thursdays before school. Please let me know if you would like to make an appointment outside of these times and I will do my best to accomodate.

Life is a math equation. In order to gain the most, you have to know how to convert negatives into positives.
